

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION

SUN PHARMACEUTICAL
INDUSTRIES LTD.,

Plaintiff and Counterclaim Defendant,

v.

Case No. 2:07-cv-15087

Hon. George Caram Steeh
Mag. Judge R. Steven Whalen

ELI LILLY AND COMPANY,

Defendant and Counterclaim Plaintiff.

**STIPULATION AND ORDER FOR PAGE-LENGTH EXTENSION ON PARTIES’
OPENING AND RESPONDING BRIEFS RE SUMMARY JUDGMENT**

Plaintiff and Counterclaim Defendant Sun Pharmaceutical Industries Ltd. and Defendant and Counterclaim Plaintiff Eli Lilly and Company (“Lilly”) stipulate and agree to the entry of this Order as follows:

1. According to the Court’s May 29, 2008, Scheduling Order, the parties’ deadline for filing motions for summary judgment is August 14, 2009. Sun intends to move the court for summary judgment that the asserted claims of the patents-in-suit are invalid as obvious over the prior art.

2. Given the complexity of the scientific, legal, and factual issues that will need to be briefed in connection with such a motion, the parties agree that the twenty-page limit provided in Local Rule 7.1(c)(3)(A) for briefs supporting a motion and response is insufficient for a full analysis and presentation of the issues.

3. The parties therefore agree to an extension of the twenty-page limit for briefs supporting the motion and the response to the motion, as follows: an additional five (5) pages for both briefs, such that the text of Sun's brief in support of the motion (including footnotes and signatures), and the brief in support of Lilly's response to the motion (including footnotes and signatures), may not exceed twenty-five (25) pages.

Therefore, IT IS ORDERED that the text of Sun's brief in support of its motion for summary judgment re obviousness (including footnotes and signatures), and the brief in support of Lilly's response to the motion (including footnotes and signatures), may not exceed twenty-five (25) pages.

SO ORDERED.

Dated: August 17, 2009

s/George Caram Steeh
